#### **Student Feedback and Course Evaluation Questionnaire**

31 Survey Period- 05.03.2025-15.04.2025

Number of Student Participants: 173

**1.** What year are you studying in?

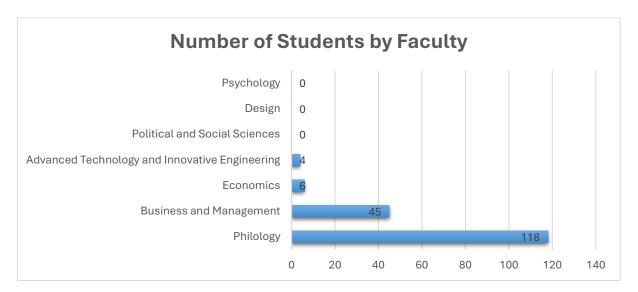

Academic year	Number of students
1 year	108
2 year	2
3 year	48
4 year	15

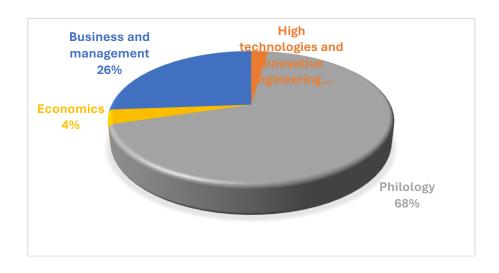

This data is used to determine student participation by year and to conduct statistical analysis. The responses per year help in evaluating the effectiveness of the course.

# **2.** The faculty (school) you are studying in :

This question aims to enable a comparative analysis of satisfaction levels across faculties.

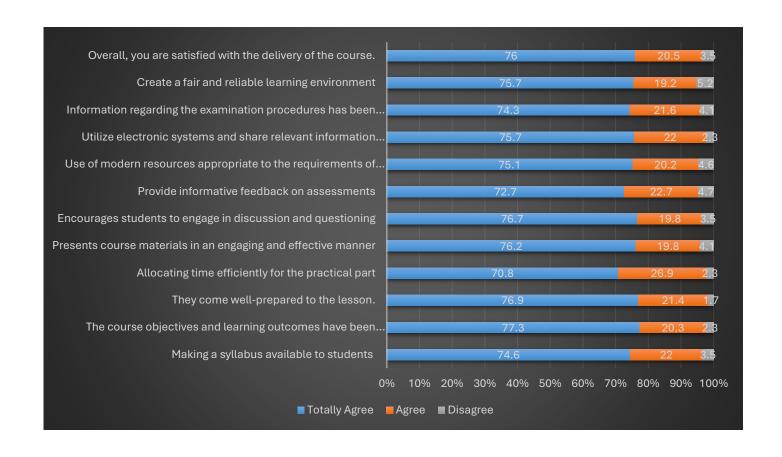

**3.** Course Evaluation Questionnaire

Through this questionnaire, students express their opinions on the instructor's teaching approach, clarity of explanation, preparedness, communication skills, and the relevance of the teaching materials.

"Responses are assessed using a three-point Likert scale with the options: 'Totally Agree', 'Agree', and 'Disagree'."
