

Department of Political Science and International Relations

Student Feedback and Course Evaluation Questionnaire

 Survey Period- 05.03.2025-15.04.2025

Number of Student Participants:172

1. What year are you studying in?

 Academic year	 Number of students
1 year	40
2 year	27
3 year	97
4 year	8

This data is used to determine student participation by year and to conduct statistical analysis. The responses per year help in evaluating the effectiveness of the course.

 **2. The faculty (school) you are studying in :**

This question aims to enable a comparative analysis of satisfaction levels across faculties.

3. Course Evaluation Questionnaire

Through this questionnaire, students express their opinions on the instructor's teaching approach, clarity of explanation, preparedness, communication skills, and the relevance of the teaching materials.

"Responses are assessed using a three-point Likert scale with the options: 'Totally Agree', 'Agree', and 'Disagree'."

✳4 Finally, please evaluate your satisfaction with the instructor's teaching quality using the scale below:

Students' end-term feedback is required on the overall teaching quality of the instructor on a 10-point scale. This rating is intended to reflect the student's overall impression throughout the course.

Overall Quality Satisfaction

9.19

Department of Finance and Accounting – Average Satisfaction Score

8.54 / 10

The performance of instructors is associated with a high level of student satisfaction.

Student Feedback Rating Scale (10-point scale)

Score Range	Assessment Level	Explanation
9 – 10	Very high satisfaction	Students are fully satisfied with the instructor's performance.
7 – 8	High satisfaction	Students are generally satisfied.
5 – 6	Partial satisfaction	Students' opinions are varied, and the performance is rated at an average level.
1 – 4	Low satisfaction	Students are generally dissatisfied.

Statistical Analysis of the Quality Indicators of Departmental Faculty Members

Satisfaction Level	Interest Rate Range	Category	Sign
--------------------	---------------------	----------	------

Totally agree	95%-100%	(Very High Satisfaction)	
Agree	75%-94%	(High and Moderate Satisfaction)	
Partially agree	50%-74%	(Moderate Level of Satisfaction)	
Disagree	0%-49%	(Low Level of Satisfaction)
