Quality Assurance Center

[illegible]

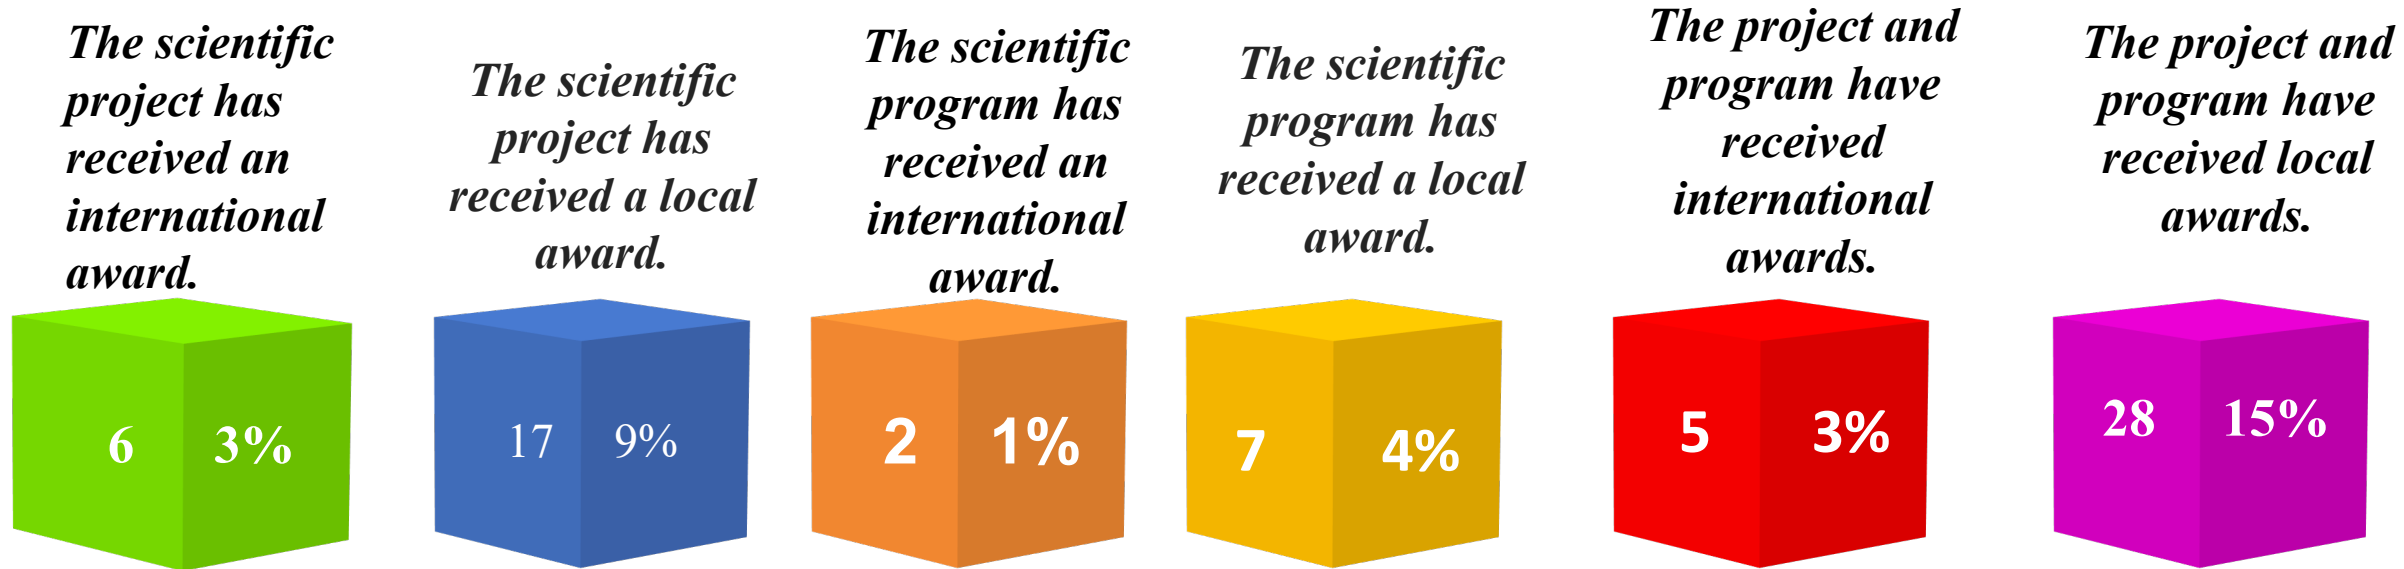

Could you please indicate the number of scientific articles you have published in your field of teaching?

"Which trainings have you attended in the past year to develop yourself in the field of teaching?"

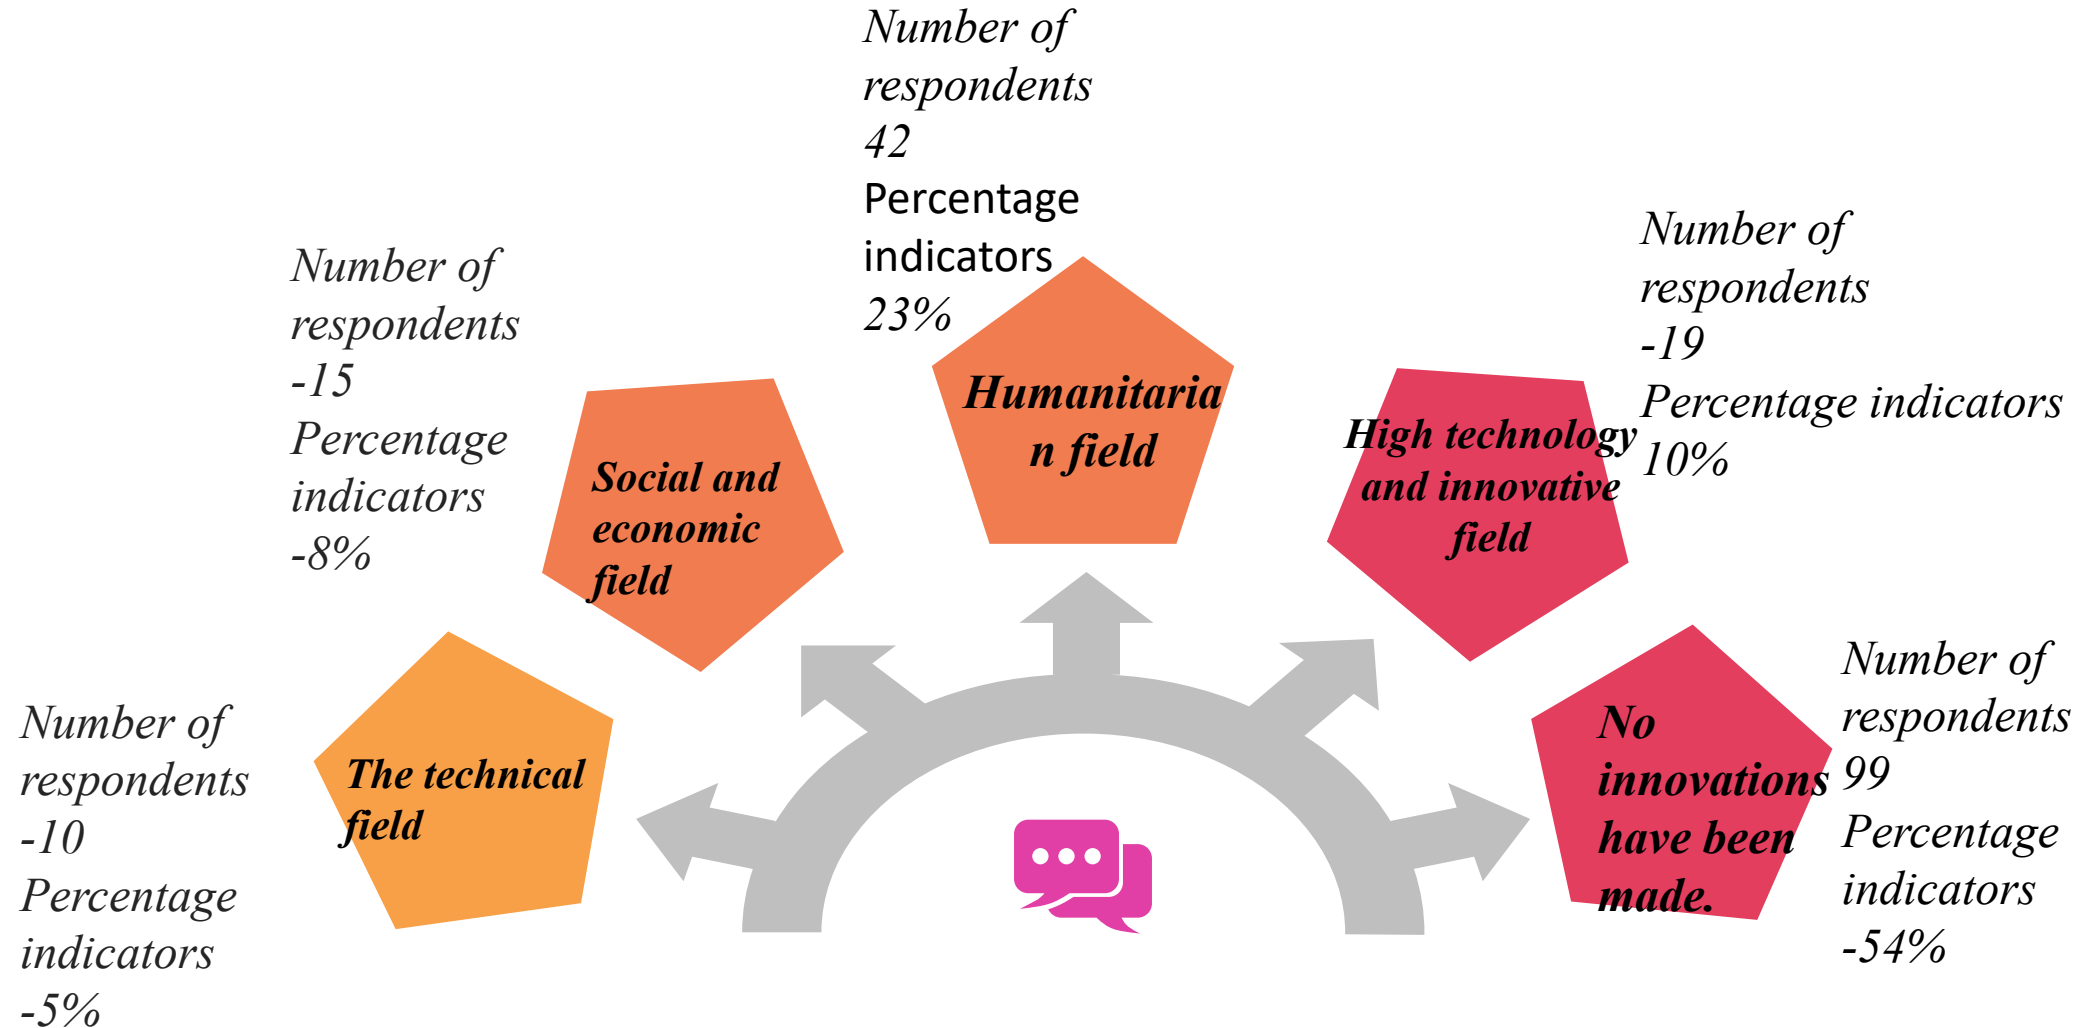

Which scientific projects or programs you have participated in as an author have been awarded international or local prizes?

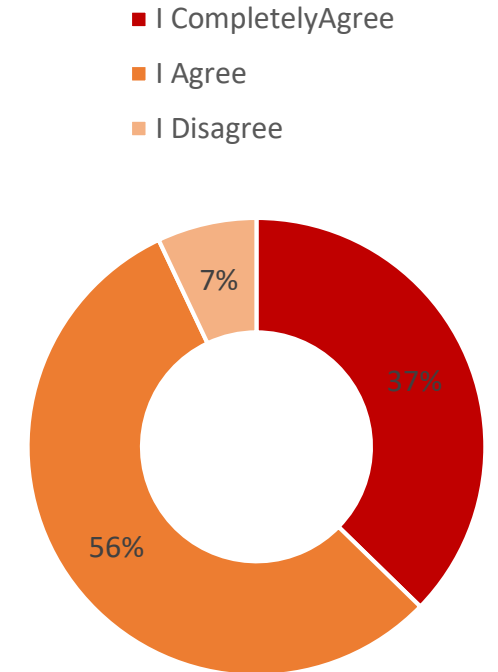

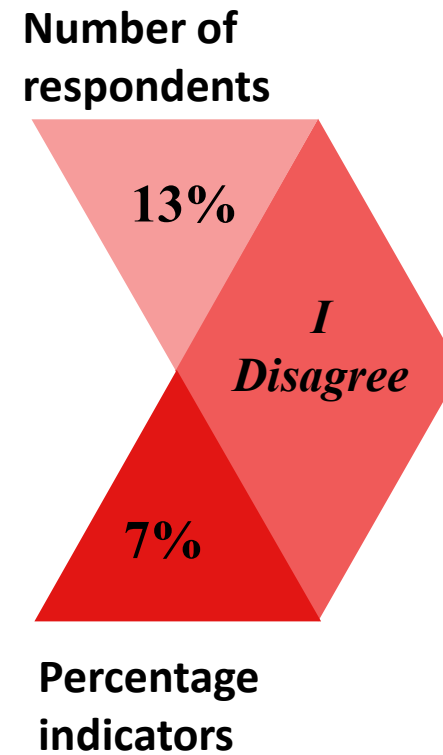

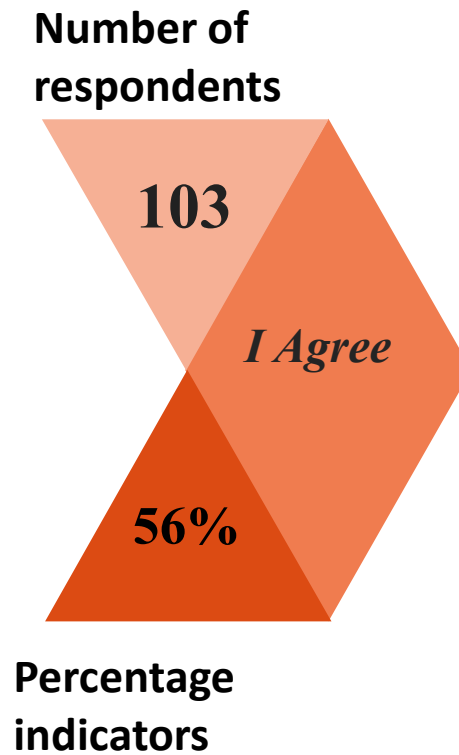

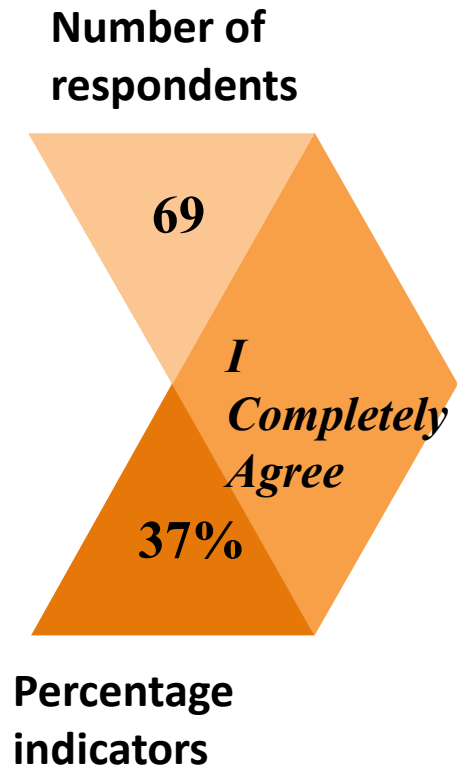

- "120 teachers, making up 65% of the respondents, selected the "Other" category; none of them have participated in scientific projects or received international awards.

Which fields have these projects introduced innovations in?

Do you think the curricula and teaching materials meet modern educational requirements?

"Which methods do you use to improve your teaching methods?"
